

## Roadies, are you up for a challenge?

The Rotary Ride for Rescue, the Capilano Volkswagen Cypress Challenge presented by Glotman Simpson Cycling and the Escape Velocity Seymour Challenge for dEVo youth cycling development are thrilled to announce the **Climb for Causes** competition, a three stage hill climb to take the King and Queen of the Mountains titles.

Everyone 17 years and older who enters these events (road only) are automatically entered to the Climb for Causes championship. It's that simple! The quickest cumulative time of all three events, male and female, will win a KOM or QOM jersey with a pocket full of cash. Each age category winner will be leaving with some cash too.

Click on the logos below to register and the chance to claim the title! Remember, you must register for all three to win the competition, the jersey, the cash and the glory.
